Hillsdale, Ill., April 29th.—Much interest has been aroused here over the case of William Marks, who has been in a dying condition for several months with an apparently incurable Kidney Disease.

The leading physicians of this place had pronounced his case a hopeless one, and others from Port Byron, Geneseo, and Davenport, Ia., had attended him, and in a consultation decided that he could not live.

In desperation, his nephew inquired of Mr. L. F. Giles, a local druggist, as to a last resort. Mr. Giles suggested Dodd's Kidney Pills, a remedy which had just been introduced here.

The results were marvelous. Mr. Marks immediately began to improve, and within a few weeks was able to be up and about, completely cured.

His cure is the talk of the neighborhood, and is considered nothing short of a miracle.

There appears to be no doubt that this new remedy, Dodd's Kidney Pills, will cure any case of Kidney Disease, for the more malignant forms, such as Bright's Disease, Diabetes, and Dropsy, yield readily to its remarkable influence. These forms of Chronic Kidney Disease have hitherto been considered incurable, and have baffled all medical skill, and yet, this new remedy has cured every single case in which it has been used, in this neighborhood. The doctors themselves are amazed at the wonderful work Dodd's Kidney Pills are accomplishing in Rock Island County.

England's Army and Navy.

It was recently stated that England's army and navy is inadequate to properly defend herself from a sudden onslaught. England is, in this instance, like the individual who allows disease to creep into his system through a stomach too weak to properly digest the food taken into it. To strengthen the stomach there is nothing better than Hostetter's Stomach Bitters. It cures dyspepsia, constipation, indigestion, liver and kidney trouble, and as a tonic, is incomparable.

Are You Going Abroad?

If you are going abroad be sure to select the Lackawanna Railroad as your route East. The terminus of that line is within two blocks of the docks of the ocean liners operated by the Cunard, Hamburg-American, White Star, North German Lloyd, Netherlands American, American, Red Star and French Lines. To the traveler, often encumbered with luggage and accompanied by his family, the advantage of landing so near his point of embarkation is at once apparent. Not only is the Lackawanna Railroad the most convenient line to the piers of the great Transatlantic Steamers, but the comfort of its patrons is the special care of a Steamship Agent who will be found on the docks of all the principal lines. From Chicago three through trains are run daily in connection with the Nickel Plate offering a service unsurpassed in luxury and convenience. From St. Louis there is also a through daily service in connection with the Wabash Railroad.

Do you forget that summer's coming with all its dangers to the little ones—all troubles bred in the bowels.

The summer's heat kills babies and little children because their little insides are not in good, clean, strong condition.

Winter has filled the system with bile. Belching, vomiting up of sour food, rash, flushed skin, colic, restlessness, diarrhoea or constipation, all testify that the bowels are out of order.

If you want the little ones to face the coming dangers without anxious fear for their lives, see that the baby's bowels are gently, soothingly, but positively cleaned out in the spring time, and made strong and healthy before hot weather sets in.

The only safe laxative for children, pleasant to take (they ask for more) is CASCARETS. Nursing mothers make their milk mildly purgative for the baby by eating a CASCARET now and then. Mama eats a CASCARET, baby gets the benefit. Try it! Send for a 10c box of CASCARETS to-day and you will find that, as we guarantee, all irregularities of the little and big children's insides are

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.
